Dear Friend,

Pam and I would like to take this opportunity to say thank you for helping us build our dream home. Your superior workmanship is evident to all who visit here. Every visitor has commented how beautiful it turned out, which is, of course, the sum of all the various parts that each of you worked on.

DreamBuilt has been a fabulous company to work with, so it stands to reason that each of you would also be great to work with, and this has proven to be true. I have talked to many people who speak of the bad experiences they have had with building a home. Our experience could not have been any better: we learned a lot and had a lot of fun seeing it come together.

Out of all the experience though, one of our biggest blessings in building this home was getting to know each of you. Before starting, we did not know any of you and now we have over 100 new friends. What a deal!!!

Another thing Pam and I really appreciated was your patience with us. I am sure that many of the changes we made during this process were aggravating, but you never let it show. You were even patient teachers, not making us feel dumb when some of our requests weren't good ideas.

In closing, let us again say "Thank You" and we want you to know that we will be recommending you and your services to everyone we know.

God bless,
Keith & Pam Kelly
